Showers of Blessings

We ask where are the blessings? How can we say we are having showers of blessings? In my seventy-six years, I have never seen anything like this.

Easter will be very different this year. We will not gather at the church but will gather around our phones, tablets, laptops, and televisions to worship. This feels very awkward and different to me. I believe this feels the same to you. I will miss "Sunrise Service.". I suggest you and your family gather together in your yard Easter Sunday morning at 6:30 to 7:30 a.m. and worship. What a blessing it will be to gather with your family to worship together. To admire the beauty of God's creation and remember the sacrifice HE made for us. Then join Bro. Ivan Parke and your church family as we worship in a virtual church.

According to facebook records we are reaching more than ever before. Fellowship seems more united than I can remember ever seeing. Members check on members. Teams coming together to accomplish whatever is needed. What a blessing.

Let's not forget our financial responsibility to God. God expects us to provide for His work. The tithe is an act of worship.

I ask at the beginning where are the blessings. They are all around us. The love and concern shown for on another. The commitment of so many to ensure the gospel is shared Sunday and Wednesday. God is in control. God is good. God is faithful. God is love. A special thanks to Bro. Ivan, Chris, Kevin and the dedicated team that make our broadcast possible.
