## Reflections

Pastor Caleb Hughes

By God, For God

I was in a crowded Louisiana college auditorium. It was a youth church summer camp and the first worship gathering of the week. The young camp pastor began with a question and asked for bold audience participation surrounded by a couple thousand of our teenage peers.

*"Why did Jesus come to earth?"*

Students began one-by-one raising their hands and—upon being acknowledged by the pastor on stage—shouting their answers to what on the surface was a simple faith-based question. *"To die for our sins!" "Because it was the Father's plan!" "Because he loves us!"* Around thirty correct answers were given over a ten minute span, but never the one the pastor was seeking. Impatience began to settle in as he graciously continued his mysterious search. Finally a young man from the balcony shouted, *"FOR THE GLORY OF GOD!"* The pastor's olive skin began to glow as his face was wrapped in a satisfied smile.

My life was forever changed that night. Never had I considered that while the love, grace, and obedience of Christ led him to the cross, his **primary** motivating factor in **all things** was and is the glory and praise of the Father. Jesus became flesh for our good but primarily for His glory.

The Westminster catechism states that "the chief end of man is to glorify God and enjoy him forever." Today, take up as your motivating factor in your thoughts, words, and actions the same factor that motivated our Lord to the ultimate display of obedience 2000 years ago: *FOR THE GLORY OF GOD!*

Please Read  
We ask that you follow these guidelines to help  
prevent the spread of infection (related to the  
COVID-19 virus) while in attendance of worship.  
Masks are required while in the building/worship  
area at all times.

Use hand sanitizer upon entering and exiting the building.  
The ushers will sit families together separating them  
6 feet from other families.

We ask that you **NOT** shake hands or come into close  
contact with others outside your immediate family.  
Wash your hands with soap and water for 20 seconds  
after using the restroom.

Once the worship area is at 50% capacity, we will  
seat families in the greeting room or dining area  
to view the service on TV.

If you are worshiping from your vehicle and need to use the  
Church restroom, you must follow the above guidelines.

**Thank you for helping us keep everyone as safe as  
possible during these times. We pray things are  
back to normal soon.  
God Bless**
