Reflections

Joyous June

The spirit within me jumps with joy, I am as excited as a kid with a new red wagon for Christmas. We have a man preaching Sunday, June 7, in view of a call.

The committee has spent countless hours, praying, and pouring through many resumes. Their time and effort have been honored by God. He has led them to the man they believe God has prepared to lead us.

Caleb Hughes is the man God has led the committee to call. He is a young family man, with three (3) Children. The youngest was born in the last week in March. I, like you have not met him. I am looking forward to meeting him and his family on June 7th.

The vote will be in a special called business meeting at the end of the service. The votes will be counted immediately, and the results announced.

It is a bittersweet time. It will mark the beginning of the end of Dr. Parke's time with us. We have grown to love him so much. God knew who we needed for this time and provided the best person for us.

His messages have been excellently prepared and presented. He has touched our lives and souls. Our lives have been enriched by listening to Brother Parke's Biblical teaching.

As we come together for the first time in 11 weeks, Remember COVID 19 is rampant among us. If you are sick. Please. stay home. If you are well, please remember to wear your mask. The mask is the only proven action that slows the spread of the disease.

Please Read

We ask that you follow these guidelines to help prevent the spread of infection (related to the COVID-19 virus) while in attendance of worship.

Masks are required while in the building/worship area at all times.

Use hand sanitizer upon entering and exiting the building.

The ushers will sit families together separating them 6 feet from other families.

We ask that you NOT shake hands or come into close contact with others outside your immediate family.

Wash your hands with soap and water for 20 seconds after using the restroom.

Once the worship area is at 50% capacity, we will seat families in the greeting room or dining area to view the service on TV.

If you are worshiping from your vehicle and need to use the Church restroom, you must follow the above guidelines.

Thank you for helping us keep everyone as safe as possible during these times. We pray things are back to normal soon.

God Bless
