Winds of Change

Exodus 14:21 Then Moses stretched out his hand over the sea. The Lord drove the sea back with a strong east wind all that night and turned the sea into dry land.....

Acts 2:2 Suddenly a sound like that of a violent rushing wind came from heaven and it filled the house where they were staying.

Can you feel the gentle wind blowing at Fellowship? Wind is often used to signify the presence of God. I feel winds of change in our church. We are building a new place of worship, new Bible study rooms, and place for Christians to gather and share and pray and uplift each other. A stage where Jesus will be proclaimed.

Excitement is growing about moving into the new Worship Center. Work is progressing and things are looking good. Our goal is to have Easter Sunrise Service in the new sanctuary. The staff is planning a celebratory service. Bro. Ivan will be with us for both services. I want to repeat that having Easter services is a goal. God has truly blessed us.
