Blossom Where You are Planted

I am sure you are as frustrated with “Safer at Home” as I am. American’s are not accustomed to having our movements restricted. Such as being told where we can and cannot go. We do not like being told where we can shop and where we cannot. Even when it is for our best; we do not like it.

I think the hardest is not being able to meet and fellowship with our people. God created us as social beings. It just seems unnatural to stay six feet from everyone. It seems it has been forever since I sat in church and worshipped with fellow Christians. Brother Parke does an excellent job every Sunday morning on Facebook live. Chris and Burt do outstanding jobs on Wednesday night.

Where does this leave me? I need fellowship. God gave us a desire to fellowship with others. We can call on the phone and pray with them. And there is that almost lost art of letter writing. I remember as a youth receiving letters from relatives that lived afar. It was just something about knowing that someone cared enough to stop in the middle of their busy day and write me. It made me feel loved and cared for. In these trying times, maybe God is calling us to stop and take the time to express our love and concern for others. Maybe we can blossom for God through letters, texts, tweets, and phone calls. Blossom where you are.

MFUGE—Due to COVID-19, our youth will not be participating in MFuge this year. This has been a difficult decision to make, but we believe it is the right one. Please contact Bro. Kevin at 601-917-0633 regarding refund of payments made.

Graduation Recognition will be May 17th

Bro. Kevin is preparing a slideshow to honor our high school graduates.

Please forward a maximum of 20 photos of your high school senior to Bro. Kevin at kctpe@comcast.net or drop them by the church office by May 10th.
