Reflections

Pastor Caleb Hughes

“Forever Fixed”

The book of Revelation is one that has been perceived as shrouded in mystery and unapproachable for the everyday Christian. Reminder: none of the Bible was given for *only* seminary trained people. God's intent is that His Word is profitable for *all* from Genesis to “maps”.

Revelation (and the genre of the prophets in general) is best understood, not as a book telling the future, but as a book instructing God's church to **live today in light of what will come to pass.**

The message of Revelation is this: Christ is on the throne today and He will be on the throne as Victor for all of eternity.

I chose to remind you of this because of the days and weeks ahead of us. **The person in the Oval Office will cyclically be in question, but the Person on the throne is forever fixed.**

The message of Revelation is as pertinent today as it was 2000 years ago. Fellowship, live today in light of what will come to pass. Pray that the Father's will/desire will be done in America as it is in heaven, but when it isn't, trust the One who reigns forever. Trust that He who began a good work in you will bring it to completion at the day of Jesus Christ (Phil. 1:6). Trust that the days ahead are part of that work. Especially today, turn your eyes upon Jesus as your hope, salvation, and your rest.
