Reflections

Pastor Caleb Hughes

"(A)livin' Up"

I recently heard a sermon that put in my heart the thoughts you'll see below.

What causes you to really come alive? Everyone has something and many of us have a few things. You can ask me about some things that truly cause me to come alive. I love to talk about my kids. If you ask me about them, I will excitedly tell you about them. I'm the same way with golf, Alabama football, movie scores, wrist watches, and a host of other things. Something in me is brought to life when approached with those subjects. But there is a greater Subject.

It isn't wrong to have secular things that cause you to come alive. I'm sure you also have several, but there is something...Someone greater, who should cause us to come alive in a way far superior to the other lesser desires. Pau literally said, "For me, to live is Christ, and to die is again," (Phil. 1:21). We rightfully give great attention to the latter half of that verse, but don't miss the first half. To live is Christ. He should cause you to livin' up, to come alive

This month is the annual beginning of the grand holiday season that culminates on the morning that our nation comes alive in celebration of gifts. We rightfully come alive for Thanksgiving and Christmas with cheerful hearts. But remember, while many things will compete for your excitement these next 50 days, ask yourself the question: What is causing me to come alive more than all else?
